Hello my name is Cruz Rios ,

I had one complaint about trash in front of my house and I brought it up to the general manager's attention and they assured me that they would try their best to keep their area clean. Since then they have kept up to their part I support them they are good neighbors.

Re: The Historic Scoot Inn

To Whom It May Concern:

As a born and raised East Austinite, I support Historic Scoot Inn's efforts to have a late hours permit (until 2am) during SXSW. I believe Doug Guller and Historic Scoot Inn are exactly the type of neighbors East Austin needs in order to continue our growth as one community and keep the integrity of the neighborhood alive.

The Historic Scoot Inn has an outstanding track record with regard to complaints against the establishment. They are very attentive as neighbors and seek to ensure that there is harmony within the immediate community.

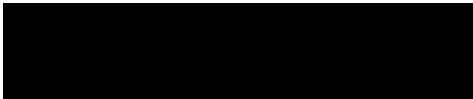

Historic Scoot Inn is very active in the local community, collaborating with local groups like Hermanos de East Austin, Austin Pets Alive, Love-A-Bull, Pug Rescue Austin and the Friends of the Emma S. Barrientos Mexican American Cultural Center.

I humbly ask that you please approve their permit request. Historic Scoot Inn is a valued part our community and deserving of our support.

Please feel free to contact me at the email address below.
